# Safety and Care Advice

**Important – Please read these instructions fully before starting assembly**

- Check you have all the components and tools listed on page 2.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- Do not stand or put weight on the parts during assembly, this could cause damage.

- Assemble on a soft level surface to avoid damaging the unit or your floor.

- We do not recommend the use of power drill/drivers for inserting screws, as this could damage the unit, only use hand screwdrivers.

- Dispose of all packing carefully and responsibly.
- Do not sit or stand on this cushion box.
- **Please lift with care.**

## Care and maintenance

- Wash glass with mild soap and water, rinse thoroughly, and dry glass completely.
- Do not use the glass as chopping surface. Do not strike the glass with hard or pointed items.
- In order to prolong the life and your table, we recommend it be stored in a dry and protected area during off season periods.
- Do not use washing powders or any abrasive substances which may scratch the surface.

## Friendly Tips

- Do not fully tighten all screws until assembly is complete.
- Make sure the assemble will be easier with 2 people.
