

Dogs are welcome in the Garden Centre but owners are kindly requested to note the following:

- Dogs must be kept on a short lead
- Dogs are not permitted on any carpeted areas (except on the way out by the Till/Exit area)
- To access the Pet Department, you must enter and exit via the Aquatics door.
- Dogs are not permitted in the Restaurant but are allowed in the Restaurant outdoor area.
- Any dog mess must be cleaned up by the owner or you will be asked to take the dog out of the garden centre.
- Assistance dogs are welcome throughout.

Due to a number of unfortunate circumstances of dogs soiling in our Clothing, Furniture, Food and Indoor Living Departments we have to bring in this policy.

We thank you for your assistance.
